ACTISAFE®

Healthcare Essentials Routine

Adult diapers

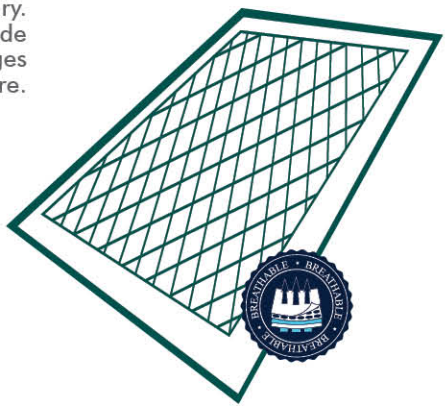

A - 4101

The super absorbent underpads of one use Actisafe lock away wetness and a large amount of liquid keeping the skin dry. The extra soft and durable non-woven top sheet on one side and waterproof non-slip coating on the other side, manages the escape of liquid offering maximum protection for furniture.

- Waterproof back sheet 100% Polyethylene
- Non-woven very soft top sheet
- Durable
